An energizing place to meet

At Element Hotels, we've created a place where our guests can thrive. Our spaces are open and bright, with clean, urban-inspired design and oversized windows. We give our guests everything they need to be more productive and make it easy for them to work hard and play hard, to be well and rest easy.

Our 4,400 square feet of meeting space includes the Evergreen ballroom, which combined offers a total of 3,550 square feet of event space with stunning windows and access to the outdoor patio. The Cedar and Spruce executive boardrooms rooms also offer natural light and are ideal for smaller groups. Meeting room amenities include flat screen televisions, state of the art A/V and catering services. We also offer complimentary WiFi throughout the hotel.

With its inspiring vaulted ceiling, complimentary WiFi and comfortable seating options, our spacious and airy multi-functional communal spaces provide the perfect gathering spots for groups to mingle. Or meet outside in our outdoor rooftop green space, complete with a self-serve barbecue.

Element rooms

Inspired by nature, our studio and one-bedroom suites feature thoughtful extras and plenty of room to gather together. So your group can stay sharp and focussed, in-room amenities provide the utmost in relaxation and convenience, including the signature Heavenly® Bed, a fully equipped gourmet kitchen, plush robe and slippers and a spa-inspired shower.

Suites also offer complimentary WiFi, a flat-screen TV and a user-friendly work space with an oversized desk and an ergonomic chair. Pet-friendly suites are available.

Element Hotels offers a smoke free environment.

Welcome to the first Element in Western Canada, Element Vancouver Metrotown

Located at Kingsway and Willingdon Ave. in the vibrant and green city of Burnaby, the hotel could not be better situated. At Metrotown, you are steps to the Burnaby business district, shopping at Metropolis—Canada's second largest shopping centre, and international dining options including Trattoria Italian Kitchen located on site.

Opened January 2015, this brand new LEED-certified, hotel offers eco-friendly and eco-inspired living. Our smart, environmentally friendly design promotes balance through flowing, multi-purpose spaces and comfortable guestrooms and suites, while offering the luxurious amenities you desire.

Built green from the ground up

We're doing our part with sustainable design and eco-friendly practices, including water-efficient faucets and fixtures, energy-efficient appliances, an extensive recycling program and more.

Find your own space

We've designed the Element Hotel experience to give you everything you need to stay energized, active and whole.
